HEAVEN'S GARDEN

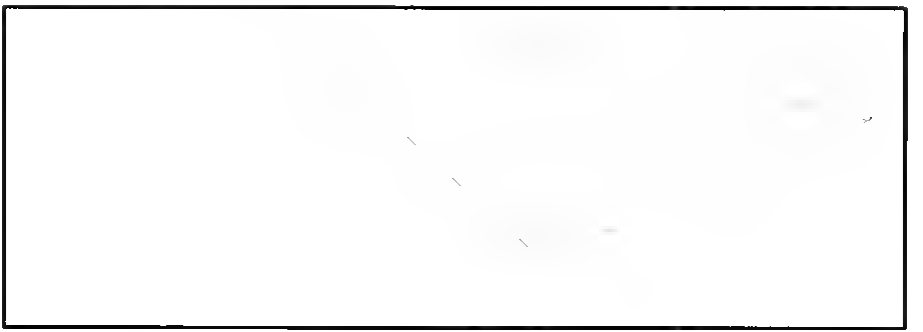
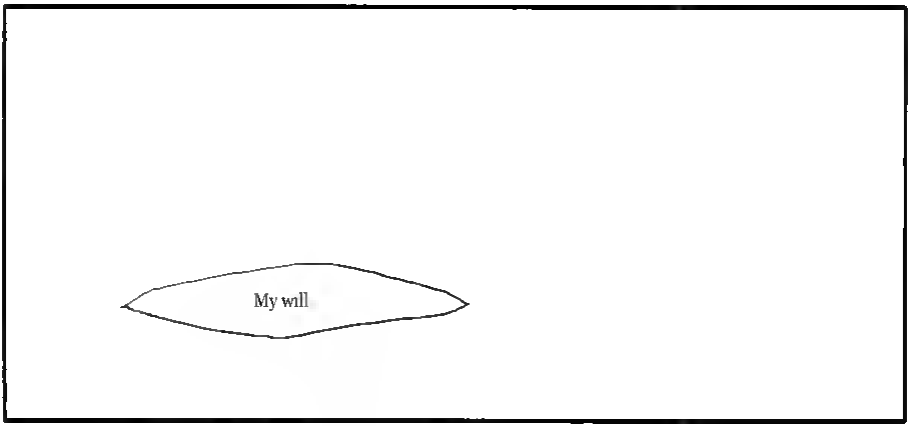
What are you writing?





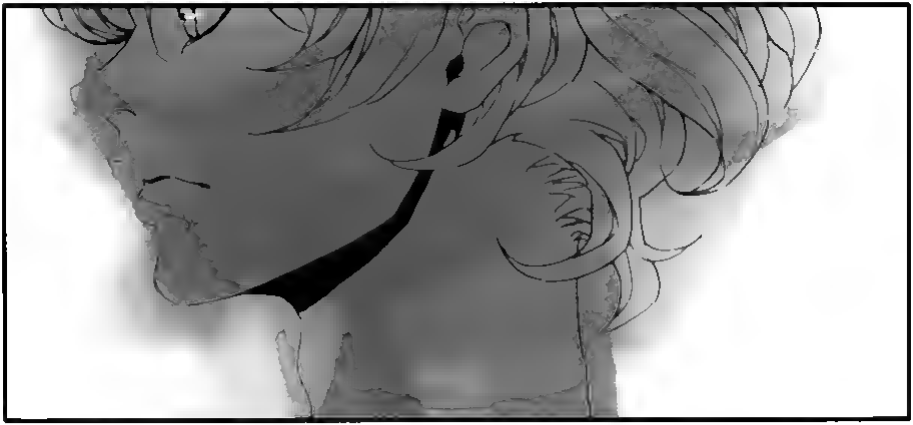
My will

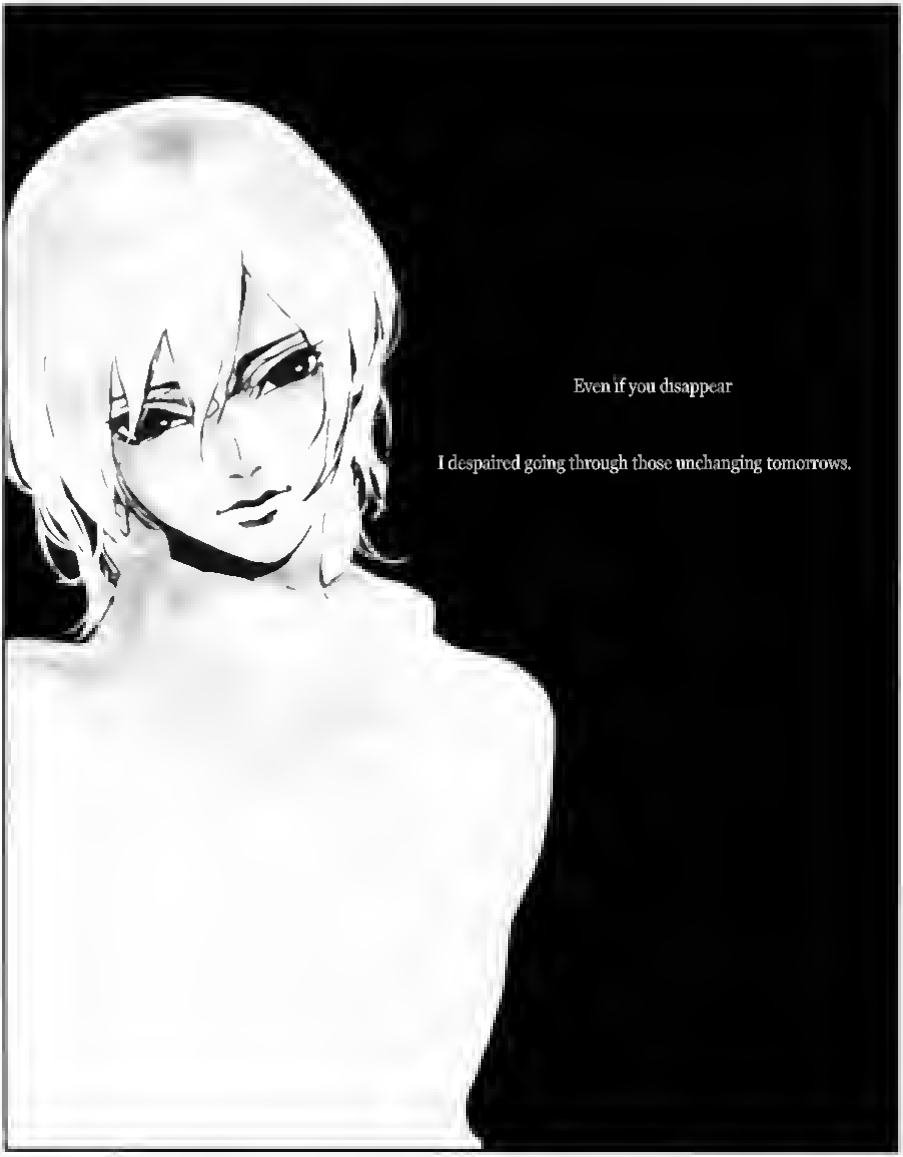
That's a lie

You won't leave anything behind.

That's why it's a lie

It's all a lie.

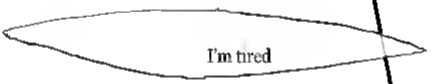




Even if you disappear
I despaired going through those unchanging tomorrows.

What you left

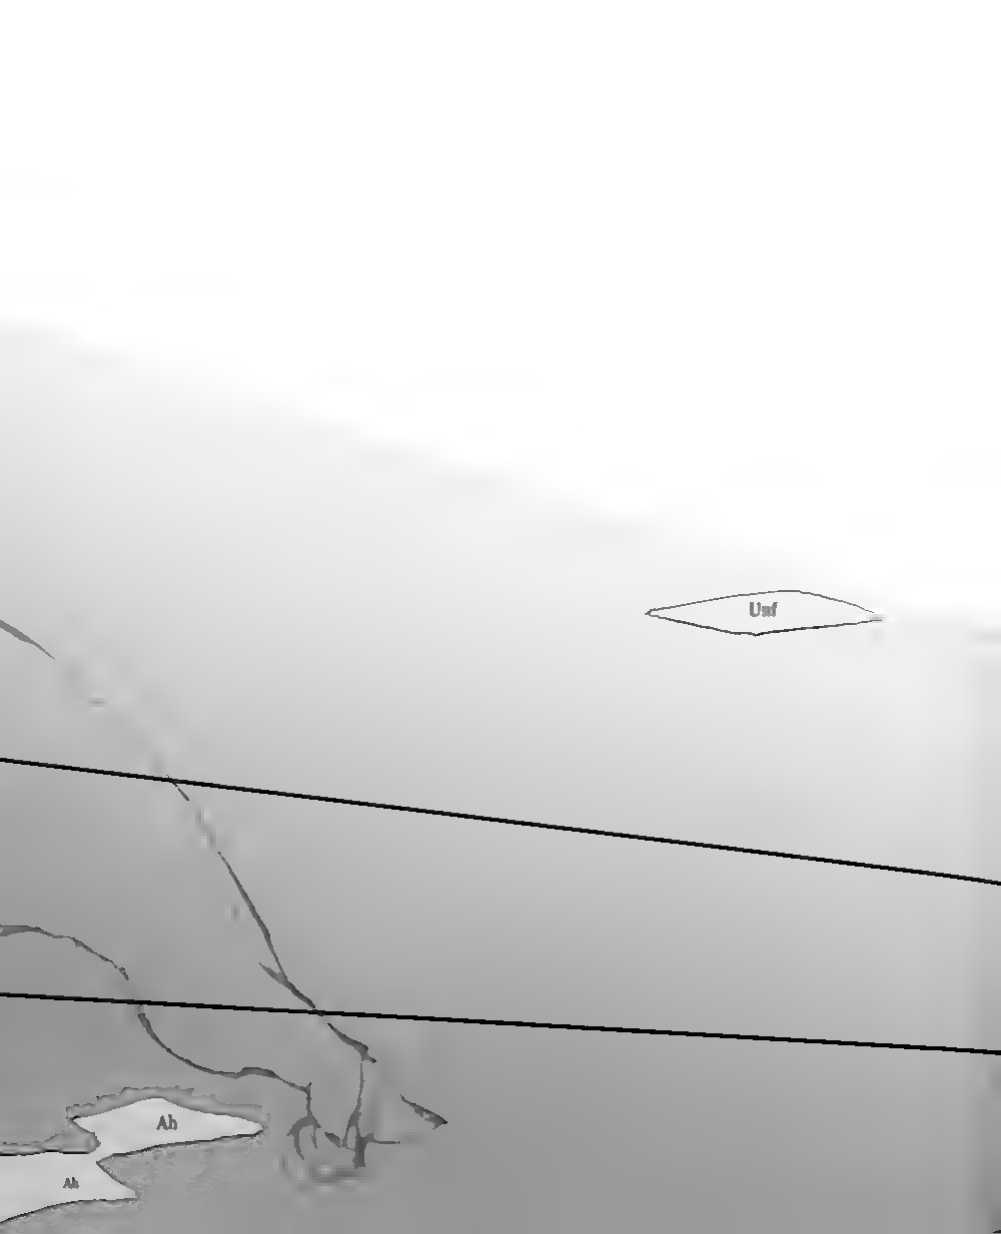
was a tomorrow without you



I'm going to sleep a bit

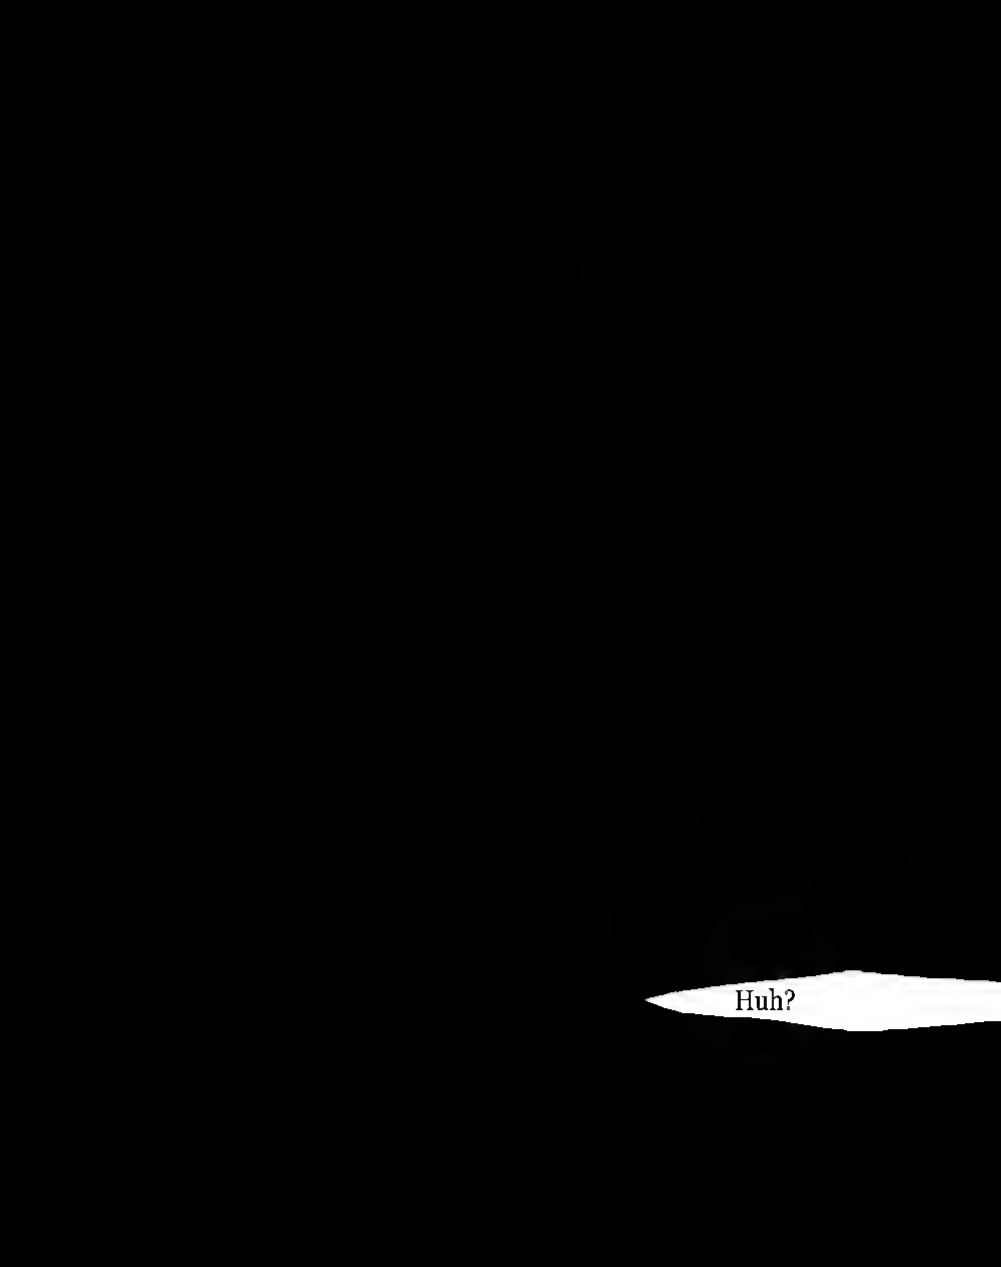
HEAVEN'S GARDEN

And then you went back to your dreams.



Unf
Ah
Ah

Ah
Suzaku...
Lelouch



Huh?

The Holy Britannian Empire
and the country of Japan
NEWS
Have now established a
friendly relationship.
This time due to
Lelouch Vi Britannia-sama
and Kururugi Suzaku-sama's
announcement of their
engagement.

Oh,
Good morning, Onii-sama.
Morning, Nunally. Rolo
I'll go and make breakfast now.
Eh,
he was over?
Suzaku's already gone home.
Has Suzaku-san already gone home?

I failed.
For the
first time.
It didn't go well. Those two-
I failed.

Gender?
Now of all times,
Or maybe
the amount of
difference in my experience?
Or my
Is it because I'm so stressed?
which is it?
Aren't you the center of attention, Prince!

Not really
It's still normal for men and women to get married. It's just that the countries are becoming more liberal.
And for them to realize an engagement between two men,
Britannia must be freezing over!
But man, it's really grand for two of the countries' tops to get together!
More and more people of the country will open up too!
Won't they just become "friendly"?
...

Stop your yapping.
You guys need to shut yourselves up.
Your mood is awful!
They have nothing to do with us.
Countries, symbols, and the like.
It's simply Suzaku and I.
I

Ah!
How should I go about seeing him?

...Sorry.
Even so, normally...
Don't dare ask Nunally.
No.
We're fiancés.
We have countless reasons to see each other.
I want Suzaku
"Fiancé"
I want Suzaku.
. It doesn't feel real.

You're out of it.
You're zoning out, Lelouch.
Even though it's the happiest time of your life.
No,
I mean that-
There's absolutely no way that Suzaku would ever hate you, Lelouch!
...
...I might be hated.

You can see it
How special you both are to each other
..
Why?
You're more suitable than me
No matter what I try to think, I know it's true
I stole.
But still
I stole him.

Do you remember?
That I
love you both?
Please don't forget that
I love you.

"Thank you," Euphie.
This country,
the people,
where I stand,
I love
the ones who oppose me,
everything
you too
Suzaku.

Ah!
It's my bride!
Suzaku
Suzaku
Suzaku
Suzaku

Who-
Who's your bride...!
Ehh, but I like the sound of it!
I don't know this area well, so how about you show me around?
You think I know!?
Wouldn't a Brittanian?
I told you I don't know!
Yeah.
Well, it's fine either way
Anything is fine as long as you're with me

What?
Are you crying, Lelouch?
Of course I'm not
I wonder about that
Of course I would.
I thought you would never
touch me again.
...Lelouch,

Lelouch.
What?
I'll try as many times as I have to.
So that
...Next time I'll do it better,
we can always be together.
So,
I'll work hard
Would you make a vow to me?

Yes.
When spring comes, please marry me
I want Suzaku.
Yes

You can't show that to Nunally!!
...Onii-sa-!
Hm?
What's wrong, Rolo?
Ah!
?

Suzaku-san, only your
black tea is bubbling!
Cool, right?
It's still boiling even though it's in the cup!
Are you going to drink it?
Are you going to drink it?
You're so keen, Nunally!
...Won't it be scalding?
This is nice.
Me too, me too!

Hah?
Let me in too!
Unfortunately,
There's no room for Suzaku-san to enter
① Hug Nunally.
② Hug Rolo.
③ Hug Lelouch.

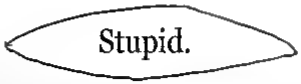
I love you, Suzaku-san!
Finds it adorable
Onii-san, keep steady!!!
You're so fluffy, Nunally!
Kyaaa!
You know what will happen if you do anything more than that
A. Nunally
Onii-san, I-
Calm down, Rolo
Rolo,
Aren't we like family?
Stupid.
We are family.



May everyone and the people I love
find happiness.

Do you want to take a bath together?
Who would!?
About lunch tomorrow
I need to eat more things!
I'm a growing man!!
Lucy!
Father said to come back again, Lelouch
Just what I wanted
I'm not going to miss it!

Cliché!
"Your son is always looking after me."
Ha!
His food is also delicious!
It's from my mother.
..She says congratulations.
Can I talk to her?
It's nerve-wracking.
Idiot,
you said you'd do it yourself.
Yeah.
Uh-
Hello?
So they may find
a gentle place.

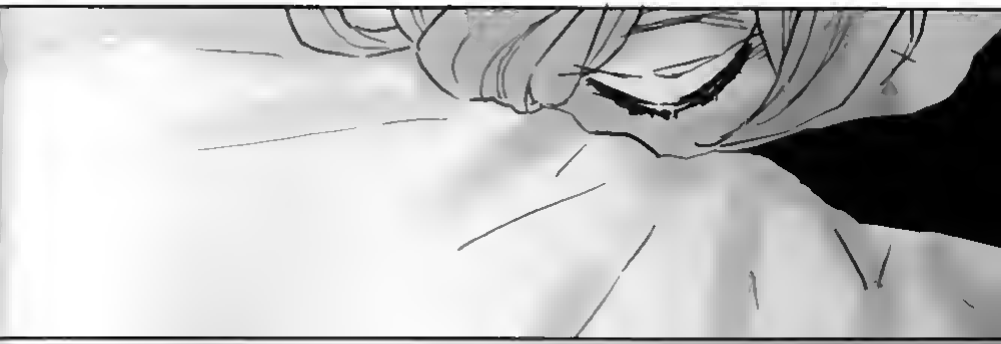
...It's always the reverse of what I expect.
The way you sometimes act.
I'm not like that with you.
Haha,
sorry for being so tough
It's okay, you're warm
It feels nice and relaxes me
Stay like that

Here is where

that place is.

Lelouch.
Hey,
are you asleep?
Lelouch?

You didn't leave anything behind. So,



I also go back to my dreams.

I'll go back there.

Since I'm obligated to go through those tomorrows without you,　　I run away to my dreams

何気に春に出したミニチュアガーデン～ともＬＩＮＫしています。
スザルル婚約話の続きを描きたいと思っていたらこうなりました。
夢見がちなのに夢のままでは終われなかった辺りが私らしい
久しぶりにスザルルの夢を見ました。
最後に一度だけ触れあえた手の平は愛おしくて離したくありませんでした。
だから今日も夢の中へ逃げ込むのです
